## TASK A

Any sufficiently advanced technology is indistinguishable from magic.

There will come a time when it isn't 'They're spying on me through my phone' anymore. Eventually, it will be 'My phone is spying on me'.

As cities grow and technology takes over the world, belief and imagination fade away and so do we.

Ethics change with technology.

## TASK B

We are always the same age inside.

I am not young enough to know everything.

The older I grow, the more I distrust the familiar doctrine that age brings wisdom.

Everyone else my age is an adult, whereas I am merely in disguise.
