TASK A

Only the dead have seen the end of war.

War is peace. Freedom is slavery. Ignorance is strength.

War is what happens when language fails.

The true soldier fights not because he hates what is in front of him, but because he loves what is behind him.

TASK B

Without the dark, we'd never see the stars.

Life's under no obligation to give us what we expect.

Blessed is he who expects nothing, for he shall never be disappointed.

In a time of destruction, create something.
